It has come to our attention that there was an error on St. John Telephone, Inc., SAC 522442, ("Company") RUS annual report previously submitted as 522442wa3017.pdf to the Federal Communications Commission ("FCC"), Washington Utilities and Transportation Commission ("Commission") and Universal Service Administration Company ("USAC") as required by 47 CFR § 54.313 and 47 CFR § 54.422 in the FCC Form 481 filed prior to the deadline of July 1, 2015.

The error occurred on page 3 of the RUS annual report, showing \$15.92 as the R-1 local rate when in fact the R-1 local rate is \$16.00. This figure was inadvertently taken off a report showing the average local rate that included disconnected prorated charges. Attached is an amended RUS annual report for the Company.

RUS annual report provided by RUS being used for this filing does not have a native format available, therefore only a pdf copy is being submitted.
